Tips for selling your home.

Make a plan for selling your home.

Will you be buying a new home before selling your current home?

Get a pre-approval for a mortgage before selling, if necessary.

What will you do if your home sells faster than you thought it would?

Are there minor repairs you can do to make your home more marketable?

Eliminate clutter

Put things away that are not used often.

Consolidate boxes in a storage room or garage.

You love your pets, and I love them too, but some buyers might not.

Have a plan for where your pets can go during showings.

Be aware that Buyers may have allergies, or may be scared of your furry friends.

Even dog lovers may feel stressed if your dog is barking a lot at showings.

Call Kent County Real Estate

We are working in this market every day, we know what the current “normal” is.

We will sit down and make a plan with you on how to best market your home.

We will make sure you are able to collect the equity you worked so hard for.

We can advise you on what repairs are necessary so you don't waste your money.
